Mr. Moore,

Please read over carefully the proposed Notice of Filing. I have incorporated your request for exemption (see below) in the proposed Notice on Page 2. Also, the name on the Notice is reflecting d/b/a Two Men and a Truck of Rock Hill. I have to list it as R & M Charlotte LLC d/b/a Two Men and a Truck of Rock Hill until Certificate # 9831 is cancelled and Certificate No. 9713-A is amended.

If you have any corrections or if everything is ok in the proposed notice, let me know as soon as possible so I can issue it.

Your request submitted via e-mail: *We also understand that moving from a fixed rate tariff to a maximum (variable) rate tariff may also conflict with current regulation 103-198 (cited below) that requires the carrier to charge the shipper the fixed rate value specified in our tariff. We are requesting exemption from this regulation so that we can properly file the amendments to our tariff to have flexibility to vary the rate as necessary.*
